The Mission of Jesus' Public Ministry

Firmly Grab Hold Onto God's Covenant (Matthew 5:1-13)

January Week 1 2026

01 Introduction

During His public ministry, Jesus corrected what we had misunderstood. He taught us what true blessing really is—not the kind of blessing people usually think of—and told us to seek first the kingdom of God and His righteousness.

He also promised to send the Counselor, the Holy Spirit, who helps us understand all things and leads us into the way of truth, so that we do not need to worry about anything.

Through this activity, let us reflect on God's covenant (the New Year's Message) that He will fulfill in 2026 as He continues to be with us through the Counselor, the Holy Spirit. And on the worksheet, express that covenant by cutting out and pasting pictures, or by drawing your own illustrations.

02 Materials

Activity worksheet (2 pages), scissors, glue, writing tools, coloring tools, and decorating materials.

04 Prayer

God, thank You for allowing us to begin the new year of 2026 with the covenant. We believe that You have given us the Counselor, the Holy Spirit, and that You are always with me, with us, and in all things. Help us remember that our background is the background of the Throne, and let this be a year in which we establish the bartizan of the Kingdom of God.

We pray in the name of Jesus Christ. Amen.
